

MEDICINAL CANNABIS PROPAGATION & PROCESSING FACILITY

CATEGORY	Industrial/Rural
PROJECT	Medicinal Cannabis Propagation & Processing Facility
CLIENT	Asterion (Australia) Pty Ltd
LOCATION	1655 Toowoomba Cecil Plains Road, Biddeston
PROJECT YEAR	2018

PRECINCT'S ROLE

Precinct Urban Planning was engaged by Asterion (Australia) Pty Ltd to provide town planning assistance associated with the establishment of a Medicinal Cannabis Propagation & Processing Facility. Asterion intend to procure, develop and operate an intensive horticultural facility for the growing, harvesting and processing of medicinal cannabis in South East Queensland. The proposed facility will include four greenhouse modules, substations and generators, chilled water facilities, a processing facility, a general administration and security entrance facility, general warehousing, car parking and service vehicle loading and unloading facilities.

KEY TASKS

- Provision of Strategic and Statutory Planning Advice
- Development Application Preparation
- IDAS Process Management
- Development Facilitation
