

GLENVALE CHRISTIAN SCHOOL EXTENSION

CATEGORY	Community
PROJECT	Extension to Existing Educational Establishment
CLIENT	Glenvale Christian School
LOCATION	Boundary Street, Glenvale
PROJECT YEAR	2011

PRECINCT'S ROLE

Precinct Urban Planning was engaged by Glenvale Christian School to provide town planning assistance associated with an extension of their existing educational establishment to include secondary schooling. The project involved a two staged development for the provision of additional classrooms and sporting oval for the Glenvale Christian School to allow for future expansion of up to 250 students.

KEY TASKS

- Provision of Strategic & Statutory Planning Advice
- Development Application Preparation
- IDAS Process Management
- Development Facilitation
