| PROJECT | Cambooya Shire Residential Needs Study |
| CLIENT | Cambooya Shire Council |
| LOCATION | Cambooya Shire |
| PROJECT YEAR | 2007 |

PRECINCT'S ROLE

Precinct Urban Planning was engaged by Cambooya Shire Council to provide town planning advice and a determination of the 'planning need' for urban and rural residential development within the shire. The study provided the Shire Council with a quantitative and qualitative framework for addressing the need issue within the development assessment process.

KEY TASKS

- Residential Market Analysis
- Demographic and Residential Research
- Strategic Land Use Planning
- Identification of Projected Residential Needs
